The data will be stored for the duration of your use of the services of the University Library Emden / Leer. If you no longer wish to use the library services and the library no longer has any claims against you for the return of media and payment of fees and there is no other legal reason, we will delete your data on request. If the services have not been used for a longer period, your data will be deleted after a period of time specified separately for the respective service. You have the right to receive information about the data stored in the library at any time. Changes of address and name as well as the receipt of a new CampusCard must be reported to the library immediately. I have taken note of the usage regulations and hereby accept them.
