Additional comments	Semester fee per semester (for 2025/26 Campus Emden: 322.80 Euro and at Campus Leer: 224.80 Euro including the "GermanyTicket" (free rides by slow trains all over Germany). We have to enroll all our exchange students (even if they do not stay whole semester or also if they stay for one month only) and therefore they have to pay a fee (semester fee) for using our facilities or also for administrative purposes. It is <u>not</u> a fee for classes/labs - so no tuition fee. The students also will have advantages by enrolment, because they will get a "Campus Card" including the <u>Germany ticket</u> (see above). Unfortunately, we will not be able to make exceptions for payment (no matter how studies takes place - virtual, with selected be on-campus classes or a mixture of them). Orientation Weeks before lecture start in September and in February; costs: approx. 40 €. .
