The **BRIDGING COURSE ENGLISH** is offered at the Hochschule Emden/Leer at the location Emden during the Orientation Weeks before lecture start in the Fall and Spring Terms.

The exchange students have the possibility to improve their English (start level B1). The course is designed for incoming exchange students to get ready for bridging the gap between the present knowledge of English and the targeted B2 level. This level is required by most of the faculties by lecture start. This course does not close with any exam, any language level certificate or any credit points. It has limited places.
