	<p><u>FACULTY OF MARITIME STUDIES</u> (depends on the language of instruction)</p> <p>GERMAN B1 / ENGLISH B2</p>
	<p>Please note: if the language of instruction is English B2 at the University of Applied Sciences Emden/Leer and the current language level of student is B1:</p> <p>It's possible to apply with level B1, but then the attendance at the “Bridging Course English” is obligatory:</p> <p>The BRIDGING COURSE ENGLISH is offered at the Hochschule Emden/Leer at the location Emden during the Orientation Weeks before lecture start in the Fall and Spring Terms.</p> <p>The exchange students have the possibility to improve their English (start level B1). The course is designed for incoming exchange students to get ready for bridging the gap between the present knowledge of English and the targeted B2 level. This level is required by most of the faculties by lecture start. This course does not close with any exam, any language level certificate or any credit points. It has limited places.</p>

Housing arrangements for the international guest students	<p>https://www.hs-emden-leer.de/en/institutions/international-office/international-students/housing/</p> <p>A list of landlords is available in the International Office.</p>
Average accommodation cost per month	250-350 €
Average cost of living per month excluding accommodation	400-500 €
Work placement	<p>The Hochschule Emden/Leer cooperates with the Chamber of Commerce of Eastern Frisia and Papenburg and can assist in finding work placements. This option is only available if the students have been studying at the Hochschule Emden/Leer at least for one semester before the work placement and if students' German language skills are sufficient.</p>
Additional comments	<p>Semester fee per semester (for 2020/21) Campus Emden: 233,20 € and at Campus Leer: 155,20 € including the Semester Ticket (free rides by trains in certain areas in Lower Saxony, Bremen and Hamburg).</p> <p>We have to enroll all our exchange students (even if they don't stay whole semester or also if they stay for one month only) and therefore they have to pay a fee (semester fee) for using our facilities or also for administrative purposes.</p> <p>It's <u>not</u> a fee for classes/labs - so no tuition fee. The students also will have advantages by enrolment, because they will get a "Campus Card" including our <u>semester ticket</u> (see above).</p> <p>Unfortunately we will not be able to make exceptions for payment (no matter how studies takes place - virtual, with selected be on-campus classes or a mixture of them).</p> <p>Orientation Weeks including German intensive language hours and the "Bridging Course English" before lecture start in September and in February; costs: (if offered in presence appr. 40 €), if it will be offered mostly virtual it's free of charge.</p> <p>ATTENTION: We still hope that the fall semester 21/22 can be carried out in presence. However, we would also like you to inform your students that they should bring a <u>laptop</u> with them so that they can follow the online courses if necessary.</p>
