

Information about social engagement for the application for PROMOS Grant

Name: _____

Kind of activity	Credits?	Salary*?

*does not include allowance

Examples what will be considered in your application:

- Activities in University Committees
- Voluntary social/ecological year, federal volunteer service
- Aktive engagement in associations
- Engagement in academic self-administration, engagement in university politics
- Engagement as a „Buddy“

No consideration of activities with salary or credits!

Exception: Remunerated main social/societal activities (no internships) such as a voluntary social year or a voluntary ecological year are, however, taken into account.

Only consideration of activities you did AFTER school graduation.

No consideration without proof!
