## INTERNATIONAL WEEK

New European Trends in Psychology and  
Educational Sciences  
3rd Edition

15 - 19 MAY  
CLUJ-NAPOCA, ROMANIA

The Faculty of Psychology and Educational Sciences, Babeş-Bolyai University in Cluj-Napoca (Romania), organises the 3<sup>rd</sup> edition of **The International Week, between 15-19 May 2023**, within a focus on **New European Trends in Psychology and Educational Sciences**.

**The main objective** of the event is to **improve international relations and exchange good practices in research and teaching** in the fields of psychology and educational sciences.

During the International Week you will be able to attend **key-note speeches** by leading researchers in the fields of psychology and educational sciences, but you will also have the opportunity to participate in various **workshops, debates, and panel discussions, or to hold your own conference/symposium**. Additionally, if you are interested in teaching activities dedicated to the students of our faculty, you are more than welcome to do that, within the Erasmus teaching programme.

In addition to the scientific program, the event will include **tourist and cultural visits in the surroundings of Cluj, in Transylvania**.

*We look forward to seeing you in Transylvania!*

**Further information:**

**No participation fee**

**Registration deadline:** until April 15, 2023
