

# PROGRAMME 2023

The University of Malaga's ERASMUS + International Staff Week 2023 is a training and exchange week for European Higher Education institutions' staff.

During this week, participants will attend workshops and talks given by the University of Malaga's staff about services and programmes offered by the University, as well as the culture of the region.

This event is a great opportunity to establish links and collaborations among the participating universities' professionals, thus contributing to the international projection of the University of Malaga and the Higher Education institutions represented.
