

## **Overview Special Interest Groups**

Apart from the overall Staff Training Week program, we offer the following special interest groups on Tuesday 9<sup>th</sup> and Wednesday 10<sup>th</sup> of May:

No. 1: Gender Office	Prerequisites
Job Shadowing In German universities "Equal Opportunities Officers" are required by law. What is their task and how do they contribute to the quality of the university?	None required
The team "Gender Equality" invites you to learn more about the diverse facets of its work:  - Family equality  - Anti-discrimination and prevention of sexual harassment,  - Promotion of young scientists,  - Promotion of STEM students	
This workshop includes a university tour as well as the exchange of experiences and discussions about the effect of gender equality work at the University of Emden/Leer on the basis of various campaigns and case studies.	
No. 2: Center for Lifelong Learning	Prerequisites
Job shadowing for moments of everyday life - Agile frameworks as tools to enable more self-organization of employees, to increase exchange and transparency. Understanding leadership as serving work, and co-creation in designing training with potential customers using the Design Thinking method/ Customer Centricity.	experience with agile frameworks (especially in a higher education context). Quality management experience or process design
No. 3: Faculty of Technology/Department of Mechanical Engineering	Prerequisites
Workshop: Mechanical and material analysis of 3d printed components	Engineering background – mechanical engineering, electrical
Today 3D printed components can be ordered online within seconds. But how good is the quality of these products? In this workshop we will use different analyzing techniques from the machine dynamics and material science laboratories to investigate properties and performance of 3D printed components with the aim of learning more about their quality.	engineering, material sciences, (Business Administration and Engineering), physics

No. 5: Knowledge and Technology Transfer  Tuesday: "Job Shadowing" - Research consultants present their working methods - Guests reflect on their own working methods - Open exchange  Wednesday: "WS Sustainable Development in KTT Opportunities and Challenges" - Sustainable Development Goals Europe - Focus DE - Focus HSEL  No. 6: International Office  Tuesday: Discuss interfaces: Within the new Erasmus+ generation, short-term mobility can be funded. We would like to talk about those new possibilities (aims, target group, obstacles, administration e.g.) and would like to exchange examples of good practice such as Blended Intensive Programs  Wednesday: Best practices in Sustainability of student and staff mobility, presentation of our sustainable engagement program for incoming exchange students.	On the first day the focus is on measuring and analyzing the components dynamic properties and performance. The second day the production of such parts as well as the mechanical properties and microstructure of the material will be examined.	
No. 5: Knowledge and Technology Transfer  Tuesday: "Job Shadowing" - Research consultants present their working methods - Guests reflect on their own working methods - Open exchange  Wednesday: "WS Sustainable Development in KTT Opportunities and Challenges" - Sustainable Development Goals Europe - Focus DE - Focus HSEL  No. 6: International Office  Tuesday: Discuss interfaces: Within the new Erasmus+ generation, short-term mobility can be funded. We would like to talk about those new possibilities (aims, target group, obstacles, administration e.g.) and would like to exchange examples of good practice such as Blended Intensive Programs  Wednesday: Best practices in Sustainability of student and staff mobility, presentation of our sustainable engagement program for incoming exchange students.  No. 7: Staff council  Job Shadowing Tasks of the staff council within the framework of federal and provincial laws. Exchange on ways of interacting with  Prerequisites  Only for employee representative work council, staff council, or staff	No. 4: Computer Center	1
Tuesday: "Job Shadowing"  - Research consultants present their working methods  - Guests reflect on their own working methods  - Open exchange  Wednesday: "WS Sustainable Development in KTT Opportunities and Challenges"  - Sustainable Development Goals Europe  - Focus DE  - Focus HSEL  No. 6: International Office  Tuesday: Discuss interfaces: Within the new Erasmus+ generation, short-term mobility can be funded. We would like to talk about those new possibilities (aims, target group, obstacles, administration e.g.) and would like to exchange examples of good practice such as Blended Intensive Programs  Wednesday: Best practices in Sustainability of student and staff mobility, presentation of our sustainable engagement program for incoming exchange students.  No. 7: Staff council  Job Shadowing Tasks of the staff council within the framework of federal and provincial laws. Exchange on ways of interacting with  - Research advice / support  - Knowing sustainability goals / being interested in them  - Research advice / support  - Knowing sustainability goals / being interested in them  - Research advice / support  - Knowing sustainability goals / being interested in them  - Research advice / support  - Knowing sustainability goals / being interested in them  - Research advice / support  - Knowing sustainability goals / being interested in them  - Research advice / support  - Knowing sustainability goals / being interested in them  - Research advice / support  - Knowing sustainability goals / being interested in them  - Research advice / support  - Knowing sustainability of being interested in them  - Research advice / support  - Knowing sustainability of being interested in them	Job Shadowing; "Organizing IT in a hybrid world"	
- Research consultants present their working methods - Guests reflect on their own working methods - Open exchange  Wednesday: "WS Sustainable Development in KTT Opportunities and Challenges" - Sustainable Development Goals Europe - Focus DE - Focus HSEL  No. 6: International Office  Tuesday: Discuss interfaces: Within the new Erasmus+ generation, short-term mobility can be funded. We would like to talk about those new possibilities (aims, target group, obstacles, administration e.g.) and would like to exchange examples of good practice such as Blended Intensive Programs  Wednesday: Best practices in Sustainability of student and staff mobility, presentation of our sustainable engagement program for incoming exchange students.
