

Dear Partners,

Tampere University of Applied Sciences (TAMK), is pleased to invite you to participate in **Eye on TAMK 2022 week**, which will physically take place **4th – 8th April 2022** in Tampere, Finland. The theme of the week is Digitalization of Education. All participants are expected to contribute to the programme with their expertise. The working language of the week is English.

The week is a scientific, pedagogical, (inter)cultural and social event based on:

1. Lectures / Workshops / Seminars / Short Language Courses taught by Guests and/or TAMK Lecturers

We are most pleased to invite you to submit proposals **in the following fields of studies**: Languages, Media, Music, Arts, Health Care, Social Services, Engineering, Business, and Teacher Education.

All the proposals will be reviewed by our lecturers/coordinators and accepted/refused according to their relevance to our curricula and theme of the week (Digitalization of Education). Other topics not referred to in the form may also be submitted and will be considered, if appropriate.

2. Project Development / Brainstorming / Collaborative Work together with the lecturers/staff of the same field of studies/research interests for sharing and developing project ideas;

- a. If you would like to present best practices in a Research, Development and Innovation (RDI) project on **digitalization and regional development**, please briefly describe the project and provide the website.
- b. If you would like to propose/discuss ideas or find new partners for RDI projects, please briefly describe the field(s) of interest.

3. Non-teaching Staff Track

- a. If you would like to present best practices on **digitalization in university services**, please briefly describe your practice.
- b. If you would like to propose/discuss new project ideas, please briefly describe the field(s) of interest.

Take part in the social and cultural programme throughout the week. Plenty of networking opportunities and programme available with a taste of the Finnish way of life. Come and see what makes Finland the happiest country in the world!
