

If your mother tongue is **French or Spanish** and you are willing to practise and improve your language skills in German, you are more than welcome to join the tandem exchange which will take part during the summer semester 2019.

**You will meet a native speaker of German**, at least once a week and for one hour, in order to speak about different topics. You will use both languages, i. e. German and your mother tongue. Generally, the weekly meeting is divided into two parts so that both of you can practice the language: half an hour in German, half an hour in your mother tongue. At the beginning, participants will receive a guideline with speaking proposals and are free to contact us at any time.

If you are interested in this project, please send an e-mail to [sprachenzentrum@hs-emen-leer.de](mailto:sprachenzentrum@hs-emen-leer.de) before Monday, 11<sup>th</sup> March. In your message you should include a short description about yourself: **name, age, nationality, course of studies, when you started to study German, hobbies, and reasons why you would like to participate in this activity**. We will contact you as soon as we find a tandem partner for you.

If you have any questions, please do not hesitate to get in touch with us ([sprachenzentrum@hs-emen-leer.de](mailto:sprachenzentrum@hs-emen-leer.de)).
